### Patient Financial Responsibility Form

By my signature below, I am entering into an agreement with Virginia Oncology Care, PC, as follows:

Please remember that insurance is considered a method of reimbursing the patient for fees paid to the physician and is not a substitute for payment. Some companies pay fixed allowances for certain procedures; others pay a percentage of the charge. It is your responsibility to pay any deductible amount, co-insurance, or other balance not paid for by your insurance company.

IN ORDER TO CONTROL YOUR COSTS OF BILLING, WE REQUEST PAYMENT AT THE TIME OF SERVICE. Ninety (90) days after date of service, any unpaid amounts will be assessed later payment charges of 0.5% monthly.

To the extent necessary to determine liability for payment and to obtain reimbursement, I authorize disclosure of the pertinent portion of the patient's record. I hereby assign all medical and/or surgical benefits under the terms of my insurance payable to: Virginia Oncology Care, P.C.

This assignment will remain in effect until revoked by me in writing. A photocopy of this assignment is to be considered valid as an original.
